

THE 2021 PROJECT AT

# L.G. COOK 4-H CAMP

PHASE 1: CABIN RENOVATIONS

# CABIN RENOVATIONS

A ceiling, floor, walls, doors, windows and a bunch of bunks are all that's needed for a cabin at 4-H Camp to be a cozy home-away-from-home for a summer week in the woods.

However, after nearly 70 years, equipping those cabins with NEW ceilings, floors, walls, doors, windows and bunks\* goes a long way toward continuing to create that cozy home-away-from-home for all the next generations of campers to come through our cabin doors.

\*(We're throwing in insulation, fans, winterized heat and electrical work as well.)

# CABIN RENOVATIONS

Before

After

This work has already been completed on three of our eleven cabins. By L.G. Cook 4-H Camp's 70th anniversary in 2021, we endeavor to have all remaining cabins fully renovated to match as well.

# WHAT'S IN A BUNK?

## A BUNK IS...

15 brand-new friends and cabin-mates. A bunk is simplicity, getting away from it all in our rustic, tech free community. A bunk is adventure. A bunk is a week at summer camp.

## OUR LAST BUNKS...

Served us from 1951 all the way up until today. If our new bunks do the same, your donation will provide a home away from home for nearly 500 summer campers.

**L.G. COOK 4-H CAMP**

## **GOAL FOR SUMMER 2018: 19 BUNKS FOR CABIN #9**

We are looking to support our upcoming renovation of Cabin #9 with a fundraising campaign to sponsor each of the new bunks inside.

## **DONATE NOW!**

We are hoping to find 19 donors to contribute \$1000-a-bunk to assist with the cost of cabin upgrades and help welcome campers into the new bright, comfortable, sociable Cabin #9. Donors will be recognized with a plaque in the cabin.

**BEYOND IMPROVING OUR OLD BUILDINGS, THE FOCUS OF THE 2021 PROJECT IS TO ALSO BUILD SOME BRAND-NEW ONES! L.G. COOK 4-H CAMP WILL BE EXPANDING OUR CAPACITY WITH OUR DINING HALL LODGE ADDITION, AND THREE NEW CABINS.**

Please reach out to the Camp Office (973-948-3550) for further info on these aspects of the project.
