

Greetings Camp Families!

As promised, here's some more reminders and communication as to the extra steps we all need to take to get to summer camp in 2021!

Limit Contacts Pre-Camp: The most important element to keeping 4-H Camp safe and healthy this summer is you! As per DOH guidelines, we encourage all unvaccinated campers to limit their close contacts as much as possible in the days before 4-H Camp, especially in the time before and after your Pre-Camp test. As our campers are living together in cabin groups, striving to ensure everyone arrives to Camp healthy is a top safety priority. Please follow all relevant state and CDC guidance for unvaccinated persons.

Pre-Camp Test for Check-In: A copy of your lab processed COVID test conducted within 72 hours of arrival is required at check-in. If you are using our Diligent Urgent Care mobile lab, we will already have your results. If you have not already, please [log into your account](#) and let us know your testing plan.

At Camp Test: On the Friday of the camp session, Diligent Urgent Care will conduct a rapid antigen test (conducted with a light nasal swab), as mandated by the State DOH. If you have not yet had your telemedicine appointment to order this test (which you can schedule for your earliest convenience), [please follow this link to schedule your appointment online](#). Your camper must be present at the telemedicine appointment.

Proof of Vaccination: In accordance with advice from our testing company, we are still recommending all campers are tested before their stay at 4-H Camp – however, due to revised NJDOH guidance on 6.9.21, we will now also accept proof of full vaccination (2.5 weeks after second shot) for admittance to camp in lieu of a test. If your camper is fully vaccinated, please bring a copy of their proof of vaccination to check-in, or upload it in advance on your camp account. (When you [log into your registration account](#), there will be an option in the bottom left to upload your vaccination card or test results.)

Please reach out to us at the Camp Office with any and all questions.
