"He had such an amazing time. The Camp world was exactly the supportive and fun environment he needed."

"My camper came home stronger and healthier."

"When my daughter was picked up from camp, she told me it was the best week of her life. She really meant it."

"They had such an amazing time. The Camp world was exactly the supportive and fun environment he needed."

"His deep love for the camp and all his friends was evident, and it’s the exact experience I had hoped he would have."

"They talked nonstop all the way home about all the crazy activities they did throughout the week. Please thank each and every staff member for sharing their energy, enthusiasm, and creativity each day."

"She had a fantastic time. This was a transformative experience."

"They had amazing time this year. Even better than ever. Camp was a unique reprieve from the past 2 years, and the chance for them to be kids again."

"Thank you for bringing some normalcy into our kids' lives with thought and compassion."

"Suffice to say she will remember the week for the rest of her life."
4-H Campers chose how best to complete the below sentence. Over 70% of surveyed campers selected each of the following:

When at Camp I feel more...  
Happy
Myself
Accepted
Active
Confident
Connected to Nature
Connected to Others

Over 3/4 said the lack of technology helped strengthen their peer connections

88% said camp had a positive impact on their social skills
WHAT OUR CAMPERS SAID

“Camp is a place where I can be the person I want to be.”

“I could live at camp for my whole life and not get bored of it.”

“This was my first year at 4-H Camp and I really enjoyed it. I plan on coming again next year – I would stay the whole summer if I could.”

“It was the best week ever. My cabin was awesome – we were all a family and all friends.”

“It feels good to be close to nature and make new friends.”

“I liked how the staff and counselors were very supportive and solved many problems.”

“At camp, I feel more open minded.”

“Being at camp makes me feel more lively and productive.”

“Once I leave camp I always feel more connected to the environment and the people around me. I act with empathy and hardly touch my phone.”
