

New Jersey 4-H Camp Campership Program

It is the belief of the New Jersey 4-H Camp that every child deserves the opportunity to go to summer camp.

Families who require financial assistance may apply for our Campership Program. Selected recipients will be awarded partial camperships, in which 75% of the cost of a session of 4-H Camp is subsidized by our Campership Fund. (Families unable to provide the remainder may request consideration for a full campership.)

Campership Funds are raised through family donations at registration, sales of our Annual T-shirts, individual donations, and money raised from the yearly Campfire Council Campership Campaign.

Campership applications are available on the New Jersey 4-H Camp website.

Donations always welcome here.

For questions, or to help support, please contact our Camp Office at 973-948-3550 or 4hcamp@rutgers.edu
