-TO KEEP IN MIND-

-You'll need less than you think! We keep our camp days jam-packed and super active. The bare necessities will get you through a week of summer camp just fine.

-Please don’t bring anything you’re not willing to have come home muddy, dirty, and smelling like camp.

-Pack for six whole days and various weather conditions. Extra clothes to change into are always a good idea.

-Please use luggage that is small enough to fit under a bed, or at the foot of a bunk.

-We want 4-H Camp to be comfortable for all campers. Clothing should be appropriate for our kind, respectful, active, youth-friendly environment.
