

# Summer 2023 Registration Details

All details of our Summer 2023 schedule at 4-H Camp are pending Department of Health regulations and Rutgers University Policy in regards to COVID-19. It is probable there will be 4-H Camp entrance requirements entailing testing, vaccines or other mitigation protocols.

We currently only have availability for campers to sign up for ONE session of 4-H Camp. For campers looking for extended time at Camp, we have our BIG Session - 18 days of summer camp.

Campers who would like an additional session can join our waitlist, and we will be in touch in early 2023 if we are able to accommodate multiple sessions.
